FISCAL ANALYSIS

ASSUMPTION

Officials from the office of the **Secretary of State** assume statewide newspaper publications of constitutional amendments cost approximately \$1,460 per column inch based on an estimate provided by the Missouri Press Service, x3 for multiple printings as required by the Constitution and State Statute = \$4,380 per column inch. Estimated total number of inches for this amendment is 10 inches, which includes title header and certification paragraph. Therefore, \$4,380 x 10 inches = \$43,800.

Officials from the **Department of Revenue** and from the **State Tax Commission** assume no administrative impact to their agencies.

Officials from **St. Louis County** did not respond to a similar proposal.

Oversight assumes the proposal to make the St. Louis County Assessor an elected official would have no significant fiscal impact on St. Louis County.
